The Bratislava self-administration region (BSK) is preparing the complex reconstruction of the road stages between Malacky and Studienka and between Plavecký Mikuláš and Lakšárska Nová Ves, Milka Podmajerská, the BSK speaker, informed about it. „The region had them in the plan of repairs already previous year, but also in connection with co-ordination of the time table of the army training activities in the concerned area, they were postponed. Almost three mills Euro are needed for these two roads reconstruction,“ she stated. 1 905 995 € ought to be used for the stage between Malacky and Studienka and 979 221 € between Plavecký Mikuláš and Lašárska Nová Ves. Repairing the road Plavecký Mikuláš - Lakšárska Nová Ves will last approximately till the beginning of May. This year BSK plans to reconstruct further 6 roads depending on finances, for example between Bratislava and Svätý Jur, the line Veľký Biel or Kostolná pri Dunaji as well as to repair two bridges - at Tomášov above the Little Danube and above the D1 motorway between Senec and Pezinok at the price of above 5.6 mills €.
