

# Košice: Applications for loans for insulation administrate four municipal districts

Author: SITA - Slovak News Agency | Published: 14.07.2009

4 municipal districts in Košice are executors of the government program of insulation according to the amendment of the Act on the Housing Development State Fund. Candidates would address the urban part of the Old Town for the Košice I region, the municipal district West for the Košice II region, the municipal district Dargovských hrdinov for the Košice III region and the municipal district South for the Košice IV region. The Old Town also administrates applications for the municipal districts Džungľa, Kavečany, North, Ťahanovce housing development, Ťahanovce-village. The municipality district Dargovských hrdinov assesses also applications for the municipal district Košická Nová Ves. Košice South administrates applications of the municipal districts South, Šebastovce, Krásna, Barca, Nad jazerom and Vyšné Opátske.
