

Construction of the Eurovalley industrial park continues

Author: SITA - Slovak News Agency | Published: 28.07.2009

Construction of the Eurovalley industrial park, which should spread from Velké Leváre via Malacky to Plavecký Štvrtok, continues according to the plan. Roman Karabelli, the developer HB Reavis spokesman, informed about it. For checking is preparing Peugeot, Renault and Belgian company VGP, which is building a logistics centre. The object of BASF concern is being built; Locema Company obtained a final building permit. The golf area White Eurovalley Golf Park Malacky is completed. The trade centre, the so-called retail park, is also ready for construction.
