

# An industrial and technology park will begin to build in Trnava

Author: SITA - Slovak News Agency | Published: 10.11.2009

The town of Trnava has selected the contractor who will provide construction of the urban industrial and technology park in the brown industrial zone on the area of 27 935 m<sup>2</sup>. The order obtained DÚHA Group - Trnava Construction Company. For the construction, which should take about 2 years, Trnava received the grant from the Slovak Agency for Investment and Trade Development (SARIO) of 95% of eligible project costs, representing nearly 9.59 million €. There will be situated a pavilion of sophisticated production, a pavilion of manufacturing cells, a manufacturing-technology and storage pavilion.
