

New recruits at CTP

Author: SF / pb | Published: 27.07.2010

The CTP team welcomed three new faces. Štěpánka Junová took up the position of park manager at CTPark Bor, Ivana Hellerová will occupy the position of financial controller and analyst, the third recruit is Zdeněk Raus who will work as financial project manager.

Štěpánka Junová graduated from grammar school specialized in English language in Pilsen. She completed several foreign internships and a requalification course “Human resources officer“. Her previous work experience is mainly from the area of facility management. She speaks English and her hobbies include zumba dancing, cycling, skiing and interior design.

Ivana Hellerová graduated from Technical University in Liberec majoring in economics and industry management and information technology. She gained previous work experience in OKIN Group where she worked in the area of services, consulting, production and facility management. She speaks English and Russian. Her hobbies include hiking, scuba diving, seakayaking and other water sports; she enjoys listening to classical music.

Zdeněk Raus graduated from Faculty of International Relations at University of Economics, majoring in international trade. He gained previous work experience in the audit department at KPMG Česká republika. He worked there shortly in various positions until he reached the position of a manager in 2003, where he remained until 2010. He speaks English fluently. In his free time, he does sport, mainly soccer, in-line skating and tennis. He likes travelling, non-fiction literature and he is interested in history.
