

# Army sells real estate worth CZK 422 million

Author: ČTK - Czech News Agency | Published: 27.09.2011

The Ministry of Defence offers redundant assets worth CZK 422 million. These are 37 properties, including a hotel, an airport, barracks and a hospital. There are 23 properties on offer, which the Ministry has failed to sell since the last advertisement published at the end of July. 14 other buildings were newly listed as redundant. The properties offered for sale are for example a hotel by the Lipno dam for 45 million, a guesthouse in Špindlerův Mlýn for 30 million, garages in Prague for 45 million or a hostel in Klatovy offered for 20 million. According to the advertisement, the Ministry doesn't need extensive land in Vršovice, Prague which are for sale for CZK 35 million. Potential buyers can purchase barracks in Litoměřice for 25 million. A rented flat in Prague's Troja for CZK 3.3 million is also offered.
