

Reinforcement of PM Group Team

Author: SF / zs | Published: 09.01.2012

The expanding company PM Group in the Czech Republic and Slovakia got new reinforcement in January 2012 when Ing. Petr Pleskac joined the team as Design Director. Petr Pleskac has 11 years of experience at the design company Helika being at the top management position for the last 6 years. Petr has valuable experience in design and project management and will help PM Group extend their services and adjust them to the clients' needs.
