

I. Jílková heading to Penta

Author: SF / pb | Published: 02.05.2012

Iveta Jílková has joined real estate division of Penta as project consultant. She will be responsible for marketing and leasing of development projects, such as Florentinum office project in Prague 1 and other Penta's upcoming projects in the Czech market. Iveta specializes in Prague office market. She comes to Penta from Knight Frank, where she was responsible for advisory and brokerage services. She has also worked as a real estate agent in the past. Iveta graduated from the University of J.E. Purkyně and completed a course in valuation at Frank Dyson Institute.
