

Skanska has sold City Green Court

Author: SF / pb | Published: 29.05.2012

Skanska has signed a sales contract for the unfinished office project City Green Court in Prague with Deka Immobilien worth EUR 53.7 million (CZK 1.3 billion). Acquisition is scheduled for Q4 2012. Skanska will complete the project in the second quarter. The building is currently 95% leased and tenants, such as PwC, GlaxoSmithKline and Skanska, will move into the building before the end of this year. City Green Court is the first LEED Platinum pre-certified office project in CR. It is located in Prague 4, Pankrác and offers approximately 17,300 sqm of leasable area on eight floors.
