From the beginning of this year till March 20 together 326 subjects stopped business enterprise at Košice based on an enunciation. In the same time period 435 enterprise subjects suspended their Trade Certificates. As Alena Vaisová, the chief of the Business Enterprise Department of the Municipal Office at Košice told, „Entrepreneurs are not obliged to inform about reasons of their enterprise stoppage to the concerned municipal office. After talking with advisors of the Municipal Office we can say, that they finish or suspend the Trade Certificates due to the financial crisis, so for small number of customers, very low sells of non-food goods and other kinds of goods,“ Vaisová told. In the concerned period the Municipal Office recorded 275 physical persons and 120 legal persons to whom the right for business enterprise was created. Mainly physical persons from unemployed people utilized supportive programs of the Office of Work, Social Matters and Family Department. The Košice Municipal Office registered 28 885 objects with valid Trade Certificates on the town area at the end of previous year, 18 186 of physical persons and 10 699 of legal persons hereof.
