D2 Association, Križovatka Stupava, JV-Strabag-DPS, represented by Strabag, s.r.o. Bratislava Company, will build-up the crossing Stupava south on the D1 motorway by 20.409 mills €, VAT excluded. It ought to build-up the three-kilometre motorway stage within 2 years since the agreement on building works is closed. It was signed on April 08, 2009 based on the result of the public tender, within which the National Motorway Company accepted 5 offers from applicants. Initial estimated price presented 31.202 mills €, VAT excluded. The ratio of works with probable fulfilling in sub-supplier relation by third parties ought to achieve 12.19% from the job order value.
