The National Highway Company (NDS) is preparing to announce the tenders for construction works in the construction of two of D3 highway stages in June. Planned works on the stage of Žilina Strážov - Brodno estimated costs are 264.682 mills Euro and on the follow-up stage of Žilina Brodno - Kysucké Nové Mesto are 415.314 mills Euro, VAT excluded.

Later in the month NDS should begin the public procurement for the construction of the underpass within the frame of the 2nd phase of the D1 Mengusovce - Jánovce stage construction. Estimated value of these works will achieve 8.3 mills Euro, VAX excluded. Also in May is to begin the procurement for the development of documentation to the planning permission for the 2nd phase of the feeder Levoča - Spišska Nova Ves construction with the estimated price of 332 thousand Euro, VAT excluded. NDS also plans to announce the tender for the development of documentation to the planning permission, the building permission and the implementation of the D1 extension from Bratislava to Trnava to 6 lanes.
