

About the tender for the industrial zone Kráľovský Chlmec - Cerovo

Author: SITA - Slovak News Agency | Published: 30.06.2009

The construction works to build the technical infrastructure and the transport connections of the industrial zone Kráľovský Chlmec - Cerovo ought to achieve the costs on the level of 5.5 to 6 million Euro, VAT excluded. Kráľovský Chlmec town is preparing the public procurement for the construction of the future industrial zone infrastructure in the centre of Medzibodrožie in the Trebišov region. The investment is to be co-financed by the EU own resources and the town. As yet no request for a contribution from European funds, it is not yet known, through which Operating program should be the construction co-financed.
