The town of Nitra intends to reconstruct the Townhouse cultural monument on the pedestrian zone, where the Ponitrianske museum and the Nitra information system reside. For the complete reconstruction of the exterior and the interior will apply for 2.5 million Euro from the Regional operational program. It should be created here the town representative rooms, which can be used for social and cultural events. The building belongs to the town, in its prevalent part, however, resides the Ponitrianske museum. Nevertheless, it is counted with the museum exposure keeping in the house.
