German company Kaufland should also have its operation at Kežmarok. HRIVIS group plans to build the shopping centre for about 6.8 million Euro for Kaufland. After the construction there will be about 70 new job positions. The investor wants to start the construction of the 2-storey OC on the area of 19 thousand m² in the southern part of the town in April 2010, completion plans within 9 months. The floor area of the facility will have 5.3 thousand m². Kaufland Group operates over 700 stores in Germany, Slovakia, Czech Republic, Poland, Croatia, Romania and Bulgaria.
