A new multipurpose establishment is planned in Poprad. Pilsberg wants to invest about EUR 100 million in it. A complex with a shopping and entertainment centre, a hotel and flats should grow in the place of the current brewery in the centre of Poprad. The investor wants to launch the construction activities in October 2010. In addition to all kinds of beer, Pilsberg produces also malt and non-alcoholic beverages in barrels and in bottles under the High Tatras.
