

ViOn and Villard companies will reconstruct Reduta

Author: SITA - Slovak News Agency | Published: 24.11.2009

The group of suppliers led by ViOn Zlaté Moravce succeeded in a tender to carry out reconstruction of the building of the Slovak Philharmonic - Reduta in Bratislava. The Winner will carry out the work at 18.124 million Euro, VAT excluded. Villard - the association for restoration and reconstruction of monuments provides restoration of objects forming a part of the cultural heritage of Slovakia. Reconstruction without remediation and restoration of stucco relief decoration will last 2 years and 2 months; restoration work to be financed by the European Economic Area and Norwegian Financial Mechanism, 1.5 years.
